

## Company

Rohan & Sons, Inc. is a family owned and operated corporation that has been in business for over 45 years. After leaving the family business (RESSAC) in Glendale in 1974, John Rohan started his own and set his roots in San Clemente, a small beach town in Southern Orange County. Joined by his son Dean and son-in-law Tom Medina, John Rohan and family has a clientele of over 500 commercial and residential customers and continues to serve all of Orange, Los Angeles, Riverside, and San Diego Counties.

### Services

Through our Installation and Service Departments, we provide and install several manufacturers of heating, air conditioning, and ventilation equipment. Dean Rohan and Tom Medina are both active in the corporate office and in the field, supervising projects and designing competitive bids for the installation of all heating and air conditioning equipment. We also offer many universal components and parts for existing HVAC equipment, including exhaust fans, compressors, condensing fan and blower motor assemblies, various thermostats, compressor contactors, starters, and air filters. Rohan & Sons, Inc. has devised their own Preventive Maintenance Service for customers on a routine basis that ensures efficiency and optimum performance from their HVAC equipment.

Estimate for new heating and/or air conditioning equipment only.
